DETAILED ACTION

Applicant's amendment and arguments filed on 19 May 2006 have been fully considered. Claims 1-6, 8-12, 20-23 and 25-30 are therefore allowed with the additional limitations included. Claims 13-19 are allowed for the reasons set forth below and for the reasons set forth by Applicant in the Remarks section received 19 May 2006.

Examiner's Statement Of Reasons For Allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record in this application fails to disclose or reasonably suggest all of the claimed limitations as a whole, but more specifically fails to disclose or reasonably suggest an insulating region disposed in the semiconductor layer surrounding the active region, there a passive region is optically coupled to the active region through a portion of the insulating region to pass an optical signal.

A close prior art of record is U.S. Patent 6,437,372 to Geva et al, relied upon in the rejection set forth in the previous Office action, mailed 13 February 2006, and now withdrawn. Geva et al fails to disclose a passive region coupled to an active region and an optical signal passing through the insulating region.

Another close prior art of record is U.S. Patent 6,905,924 to Burbach et al. Although Burbach discloses an optical signal passing through an insulated region, Burbach et al does not disclose or reasonably suggest the insulating region to surround the active region. (See Figure 2a-2f)

Art Unit: 2874

Lastly, another close prior art of record is U.S. Patent Application Publication 2004/0258348 to Deliwala. Deliwala also shows an active region with an insulating region (Figure 4) but does not disclose or show the insulating region surrounding the active region.

Therefore, claims 1-6, 8-23 and 25-30 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
